The stitutional precedent. The opinion submitted this morning by the supreme court in answer to questions raised by

The seceding Republican senators returned to their seats this afternoon and the senate concurred with the house in notifying the governor that both branches were organized and ready for business. The house has passed a reso lution fixing to-morrow for the electron of a governor, but the senate refused to pass a similar resolution and laid it en the table. This strengthens the belief that the question as to the possibility of legally electing an executive will be
